

Declaration of Compliance

REACH Regulation

February, 2023

In June 2007, the European Union regulation (EC) 1907/2006 governing the Registration, Evaluation, Authorisation and restriction of Chemicals (REACH) came into force.

Avery Zweckform supports actively the objective of this regulation, strives to improve the protection of human health and the environment, and will meet all applicable REACH requirements.

On October 28, 2008, the ECHA published the first candidate list of Substances of Very High Concern (SVHC). This candidate list will be regularly updated when more substances are identified as SVHC.

Our REACH obligations

According to the REACH Article 33 we have to provide the information to you as we are informed by our suppliers a Substance of Very High Concern SVHC is in one of our products over the limit.

To fulfil the information obligations we have established a dedicated web page:

www.avery-zweckform.com/reach

The web presence is up to date and is the valid information for all our customers and end consumers.

If you need any further information, please feel free to contact our Product Compliance team: de.ec-regulations@avery.com

Best Regards,

Manfred Gebauer
Manager Product Compliance
Avery Zweckform GmbH
